Focus (if applicable)	Pre Advanced Placement Springboard Curriculum
Overview of Gifted Programming Options	Erie Middle School uses the SpringBoard® Pre-AP curriculum to prepare our students for future success in an accelerated learning environment. Pre-AP courses offered in English Language Arts and math, as well as advanced math courses. Algebra and Geometry are also offered.
Enrichment Options	Extra-Curricular Opportunities: <ul style="list-style-type: none"> ● Lego Robotics ● Vex Robotics ● National Junior Honor Society ● Art Club ● Tiger Lily (girls' choir) & Man Choir, Honor Choir ● Jazz Band ● Orchestra (and more) ● Student Council
Social/Emotional Support	In Focus curriculum taught to all students. Counselors loop with grade levels to maintain relationships with students.
Classroom Differentiation and Extensions	Depth and Complexity. Identification area classroom teachers allow students to work to solve real-world problems. Identification area classroom teachers allow students to self-direct their learning. Pride Time: 37 minute daily intervention block in with content area and interest based enrichment. Acceleration opportunities are available for math students who are successfully working two or more grade levels ahead, for instance... 7 th graders taking Algebra 1, a high school course. Whole grade level and other content level acceleration is an option, but is always a team decision that would involve teachers, parents, students, and district GT experts.
