2017-18 Gifted Services: Site Specific

School Name	Westview Middle School
Principal	Mark Spencer
GT Building Representative(s)	Jodi Smith Cherie Kanemoto
Focus (if applicable)	STEM (Science/Technology/Engineering/Math)
Overview of Gifted Programming Options	After school clubs and activities that include areas of giftedness Cluster Grouping GT Challenge Classes STEM block Math Counts
Enrichment Options	Math Club Art Club Drama Club Jazz Band Pops Orchestra Writers Club Summer STEM classes
Social/Emotional Support	Student Teacher Progression Counselors/Interventionist Dedicated classroom time in each grade level to focus on socio-emotional needs of students, appropriate to that grade level.
Classroom Differentiation and Extensions	Math classes are differentiated by ability level for each student. Cluster grouping within certain classes. Core extension time provides differentiation for GT students. Dedicated Content Extensions at the end of each school day. Students can either focus on areas of their giftedness for 6 weeks, or they can also focus on areas where they could use some extra help. There rotations can lead GT students to some higher level activities among peers. Math-differentiated classes.
